SUPERINTENDENT'S MESSAGE YESTERDAY ONCE MORE: LOOKING BACK INTO THE PAST

The motto selected by the Graduating Class of 1977 is apropos for today's society.

All of us have a tendency to judge the present, and predict a future by using past experiences. Unfortunately, too many of us imagine a past perfection that never was.

Be true to yourselves. Let your past experiences give you a positive attitude. Your experiences will guide you through the winding pathways of life. By being positive in your reflections of the past, you will help preserve mankind for a much better society.

Good luck and best wishes with your future endeavors.

Richard V. Zanie

PRINCIPAL'S MESSAGE

Yesterday once more! Real values are consistent. Nothing has invalidated the hard-earned moral wisdom of the ages. You seniors will be judged by your reactions to the same challenges that have faced graduates throughout the years. Do you tell the truth to one another and to yourselves? Can you articulate and channel your aggressions? Do you do your share of whatever work has to be done? Can you show tenderness and compassion toward other people? Can you be trusted--with a confidence, with a job, with money, with responsibility for another person's welfare? Given your particular talents, are you making use of them?

My hope is that your school, your teachers, and your education to date, have helped you in an affirmative approach.

Robert R. Zimmerman

President's Message

We have spent the last four years together, and during those years we have experienced many good times, and bad. Hopefully, the good out-number the bad, which inevitably come our way, but it is out job to separate these and turn the 'unpleasant' into learning experiences, and use the wisdom gained by these lessons to make the future years more successful and happy ones.

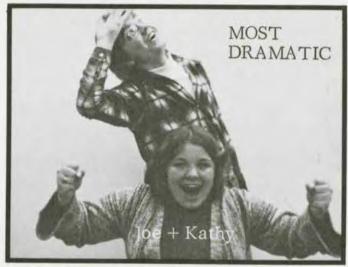

Dale Lincoln

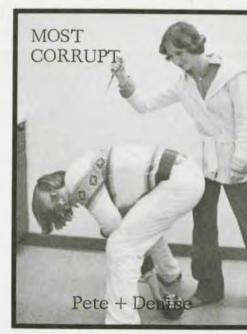

This year the 1977 Senior Prom was held on April 30th at the Holiday Inn in Rutland, the couples attending danced to the music of Blue Jay Way.

Students consisting of Freshmen through Seniors set up and produced two melodrama plays. The plays "Egad, What a Cad" and "She Was Only a Farmer's Daughter" were directed By Mrs. Jane Jensen and Mrs. Ellen Wade. The students built their own stage and lighting and made or brought props, makeup and costumes. The plays were put on 4 times and every time was a success.

The 1977 Winter Carnival was held the last week in Jan. with the theme of "THE FUTURE". Grades 7 through 12 competed all week in various activities for the title of Winter Carnival Champions. Volleyball competition was held every day after school and the finals were held Friday afternoon. The sophomore girls were victorious in their division and the junior boys were the champs in theirs. Skit and snow sculpture competition and toboggan and chariot races were also held on Friday.

The carnival ended in a tie between the juniors and seniors. This made for double royalty with co-kings and queens. They were crowned at the Winter Carni-

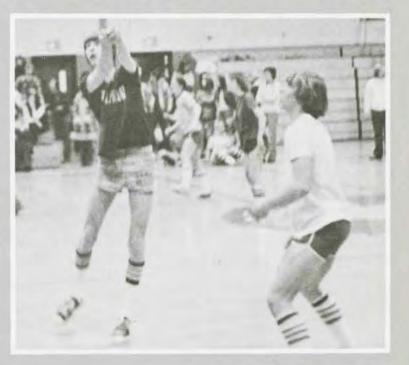

val dance Saturday night. The theme of the dance was "FUTURE FANTASY" and Sly Dog provided the music.

The Halloween Float

The Halloween Float's theme was "Hansel and Gretel". It was made with the witch and house on the wagon with children in the house. Ms. Beach was supervisor and Michelle Dunchus made the papier mache head and hands. We won "Best in Show" in the annual Halloween parade in Rutland.

Trent Atterbury came to our school as part of the ARTS Grant. He was a Mime artist and performed for the high school students. His performance was fantastic!!! Nuff said.

West Rutland presented two concerts this year featuring it's three choruses and two bands. The Christmas Concert was held on December 13, 1976 and the Second Annual Art & Music Spring Fling was held on May 10, 1977. The Senior High Chorus performed hits from the 50's as well as some modern pieces. At the end of the show all three choral groups joined together and honored the graduates by singing "Our Last Song Together."

The 1977 West Rutland Golden Horde Baseball team was one of it's better teams. The team consisted of 4 Seniors, 4 Juniors, 6 sophomores, and 1 Freshmen and had a tremendous season. They finished No. 1 in the Class M bracket. They lost a couple of heart breakers, but went on to upset everyone. With "Fireball" Jeff Davis, Charlie Hughes, and David Bartlett. the Horde mowed down team after team on their way to the play-offs. They were seated into the quarter finals and beat B.F.A. of Fairfax 4 to 1. Then they played Northfield and lost 6 to 3. Coach Beaulieu retired from coaching this year to become the school's new principal.
